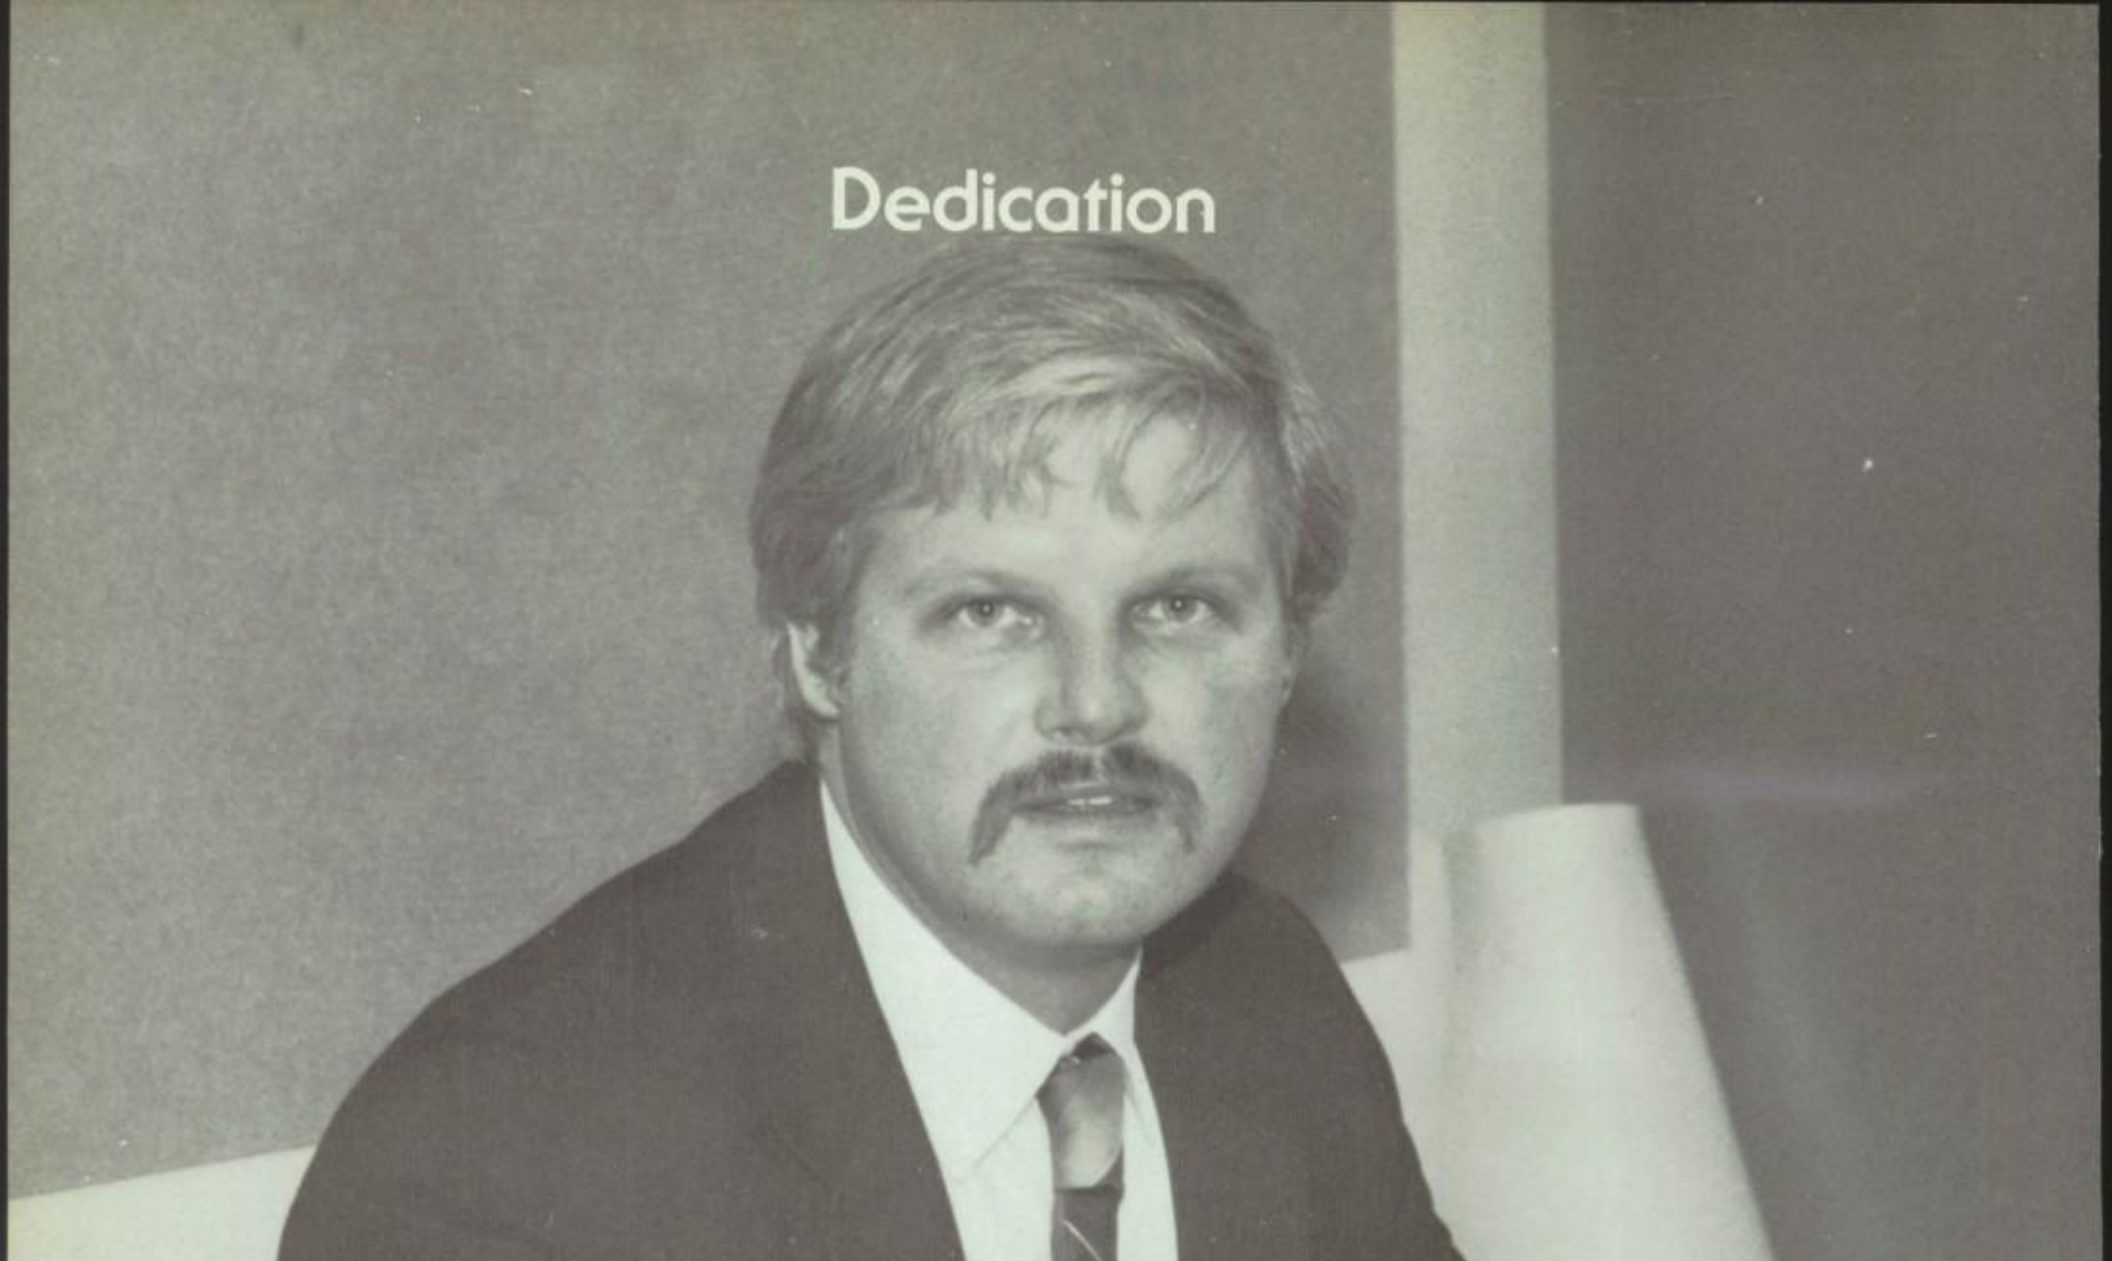
Dedication



We, the Class of 1988, dedicate the 1988 Windjammer to Mr. McHatten. Mr. McHatten has been a part of most of our lives since we were freshmen. He has been our teacher, our example, and our friend. We have always been able to talk to and relate to Mr. McHatten, and we respect his advice. We appreciate all he has done for us through these four years. As we leave Searsport District High School, Mr. McHatten, we want you to know how much you are appreciated. Thank you!

In Memoriam

Alicia Beth Robinson was a member of the class of 1988, until a tragic accident took her life in the fall of 1985. Although Alicia will not be with us as we receive our diplomas and begin our journey as individuals, we will always remember her and feel that she is a part of our class.

1970-1985

For everything there is a season, and a time for
every matter under heaven:
a time to be born, and a time to die;
a time to plant, and a time to pluck up what is
planted;
a time to kill; and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather
stones together;
a time to embrace, and a time to refrain from
embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.

Ecclesiastes 3:1-8

Dirigo Boys' State

Allen Merrill and Allan Small, delegates; Chris Southworth and Greg Birgfeld, alternates.

Dirigo Girls' State

Susan Szabronski, Stacey Fernands, and Lisa York, delegates; Melissa Cole, alternate

Boys' and Girls' State is a practical application of Americanism and good citizenship. It is a non-partisan, non-political attempt to teach America's youth a love of country and God. It is a school of government that informs students of their duties and rights as American citizens. For a week, the delegates live in Dirigo, an imaginary state. They experience town meetings, State legislature and other phases of state government.

The AFS Student Chapter is a group founded to support Searsport District High School's AFS Exchange Student. This year's AFS student is Mariluz Calderon from Chile. The club raises money to buy her a class ring, Senior portraits, a yearbook, and various other school-related expenses. Members of the club have a good time raising money while getting to know the AFS student and the ways of life in another country.

MARILUZ CALDERON, Our Exchange Student

This year's AFS Exchange Student is Mariluz Calderon from Chile. Mariluz comes from the city of San Bernardo, a suburb of Chile's capital city, Santiago. Mariluz, who is 17 years old, has 2 sisters and 1 brother.

Mariluz, sometimes called "Lou" by her American friends, is staying with the Kaufman family during her year in Searsport. When she returns to Chile, Mariluz will have to complete five months of high school. After she graduates, she plans to study English at the college level, probably in Santiago. At school, Mariluz has participated in AFS, Foreign Language Club, and Cheerleading. Her constant smile and pleasing sense of humor have brightened the year for all of us at Searsport District High School!!

"They snuck up on the rest of the state." For the first time since 1972, the Searsport Vikings are State Class C Cross-Country Champions. They placed 5 runners among the top 23 places in the state Class C meet in Augusta and brought home the trophy.

This year's XC season was certainly successful. Searsport's boys' team consistently came in first throughout the season. They were the best team in the PVC — regardless of class.

The boys' team was led by Senior transfer Chris Catell. The girls' team was led by Junior Karen Fields.

Not only did the boys qualify for the states, but so did the girls. Searsport's girls' XC team placed sixth in Class C, with Karen Fields finishing second in the state meet.

Searsport District High School is very proud of our Cross-Country teams. "One thing is for certain. Next year, teams will be looking for the Vikings."

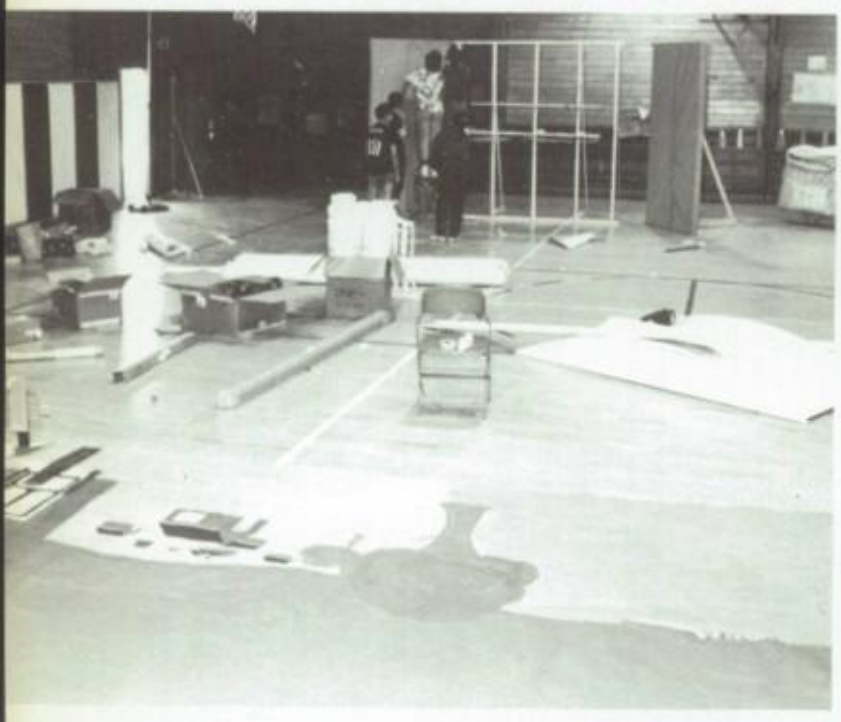
Searsport District High School Drama Club Presents an Evening of Entertainment!

Searsport District High School's Drama Club presented three one-act plays on March 26 and 27, 1987. Two of the plays, "French Toast" and "Hercules' Night Out," were performed by casts of mostly Sophomores, while the third, "Country Gothic", had a cast of Juniors. All three plays were directed by S.D.H.S. English teacher Gordon L. Peaco.

One of the three plays by S.D.H.S. Drama Club, "Country Gothic", participated in a one-act drama festival. Several other schools including Bangor and M.D.I. spent most of two days at M.D.I. High School and competed at the state level. Searsport's play, "Country Gothic", was performed by a talented, hard-working, and energetic group of Juniors and directed by Gordon Peaco. Although the play did not qualify for the state competition, Searsport's cast made an outstanding performance and enthralled the audience. They received a special award for excellence in use of lighting, and Chris Southworth and Pam Webster were presented with awards for outstanding acting.

DESTINATION UNKNOWN

A Night on A Mississippi Riverboat



Junior-Senior Prom

May 23, 1987

Every year the prom seems to get better, and 1987 was no exception. The Class of 1988 worked hard to put on a super prom for their Senior friends.

About 70 couples arrived at 8:00 for an evening on a Mississippi Riverboat, "Destination Unknown." Everyone danced to the music of the band "London" and had a great time.

The gymnasium was adorned with miles of blue, purple, and metallic silver streamers. A giant mural of Mississippi scenes lined one wall while a ship's railing encircled the entire floor. Refreshments were served at the ship's bar.

Half way through the evening, Junior Class President, Allen Merrill, made a toast to the Senior Class, and then the juniors dedicated the song "Never Say Goodbye" to all the Seniors.

As the clock struck midnight and the prom came to an end, everyone left the riverboat, taking with them memories of a special evening.
